

Continuation of Substance of Interview including description of the general nature of what was discussed: the examiner contacted Applicant's representative to request amendments to clarify the invention i.e. define the mesh as "having spaces". The examiner further stated that Claim 31 is an obvious variation of the parent claims. The examiner stated that if the claims were amended as suggested and Claim 31 was canceled, the remaining claims would be in condition for allowance. Ms. Teng contacted Applicant and agreed to cancel Claim 31 and amend Claims 1 and 18 as suggested. .
